ABOUT

Ezekiel became passionate about illustration from a very young age which led to many different creative mediums. He ultimately studied and received his degree in Photography and Imaging from Art Center College of Design in Pasadena CA. After a short year of assisting photographers on Fashion and Celebrity shoots, he found himself taking on an in-house position as Photographer and Retoucher for designer Tadashi Shoji. After a rewarding yet challenging four years serving as a part of that team, Ezekiel decided to move from California to New York in search of new creative opportunities.
